PROFILE

Informatics Engineering student at State Polytechnic of Malang. I'm interested in all things related to IT and programming, especially in the field of Mobile Development.

ORGANIZATION EXPERIENCE

Workshop & Riset Informatika

Mobile Miniclass Member

Sep 2022 – Now

- I've joined Workshop & Riset Informatika in the miniclass mobile to develop my skills and experience. In this organization I've learned a lot about soft skills and hard skills about Dart programming language.

Google Developer Student Clubs

Member

Nov 2022 – Mar 2023

- Being a member of the Google Developer Student Club in Unair batch 2022 is an opportunity for me to improve and develop my skills. Especially in mobile development topic with flutter.

Sports Extracurricular

Head of Division Futsal

Apr 2021 – Jan 2022

- Manage all activities regarding training schedules, cash, competitions, and registering futsal members.

EDUCATION

Politeknik Negeri Malang

May 2022 – Now

Informatics Engineering (3rd Semester) – GPA: 3.97 out of 4.00

- Information Technology Academic Student Achievement Award 2023
- Best Problem of Cipta Inovasi TIK Intercomp 2023
- 3rd Place Winner of Pekan Kreativitas Mahasiswa Gagasan Teknologi (PKM-GT) Intercomp 2022

SMA Negeri 14 Bekasi

Jun 2019 – Apr 2022

High School Diploma in Natural Science – GPA: 93.03 out of 100

- Coordinator of Mobile Legends Division in Fourteen Cup 4.0 2021
- Companion Committee Pelantikan Pramuka Penegak 2021
